To PARI Directors

Dear All,

INVITATION TO PARTICIPATE IN THE NATIONAL AGRICULTURAL SHOWS

The National Executive Committee (NEC) of Uganda National Farmers Federation (UNFEE) invited NARO to the First National Agriculture Farm Education show targeting the youth and children in schools. This show is focusing on instilling positive attitude of the youth towards agriculture, providing them with skills and hands-on training. This event is scheduled to take place on 18th-22nd May 2022 at the source of the Nile Show Grounds in Jinja under the theme 'Farming for a prosperous Future'.

On the other hand, UNFEE is also inviting NARO to participate in the 28th National Agricultural Show scheduled to take place on 5th-14th August 2022 under the theme "Fostering Resilient Commercial Agriculture for Agro-industrialization and Wealth Creation". This show is designed as learning platform as well as a centre for showcasing the latest innovations and Technologies in the Agricultural sector.

To adequately prepare for these national events, the Directorate of Technology Promotion will coordinate and provide guidance to institutes to make effective preparation and ensure that NARO technologies are demonstrated and exhibited appropriately to end-users. Preparatory meetings with Development Communication Officers will be organized, land clearing of the NARO village will be supported so that institutes can plant the selected crops well in time.

The purpose of this communication is therefore to;

1. Inform and invite NARO institutes to participate in the two upcoming agricultural shows.
2. Prepare for these activities including establishing demos at the show ground.
3. Release DCO's to participate in preparatory meetings whenever called upon on appropriate dates.

Looking forward to your positive response and support.

Dr. Ambrose Agona
DIRECTOR GENERAL
